A photograph of two men standing side-by-side indoors. The man on the left is younger, with dark hair, a mustache, and glasses, wearing a white shirt. The man on the right is older, balding with a grey beard, also wearing a white shirt. They are positioned in front of a light-colored wall with white curtains. A large blue text box is overlaid on the lower half of the image.

On 6 December 2016, Dr. KT Jaleel, Minister of Local Self Government lent his support for Rabies Free Kerala, a community-based anti-rabies and dog-bite prevention drive. As a senior Minister of the Kerala Government, his support for the programme is crucial to ensure sterilization and vaccination of street dogs in Kerala.

FIAPO believes that the only sustainable solution to ensure harmony between humans and street dogs is to implement ABC and ARV drives through the participation of different government departments.

The change we want to bring is only possible because of the support that people like you offer. These animals and birds cannot be saved without your help.

Please join the cause.

#RabiesFreeKerala

FIAPO is India's apex animal protection organisation. As the collective voice of the animal protection movement in India, FIAPO is the catalyst which protects the interests of animals on local, regional and national levels.
