Dear Sir/Ma'am,

Subject : Inappropriate presentation facts on kittens in class 4 textbook

Reference : Telephonic conversation
Sir/Ma'm

It has come to our notice that some facts about kittens in one of the chapters of our publication 'Our Green World' for class 4 have not been correctly presented. We sincerely regret and condemn the same.

We assure you that we henceforth

- withdraw the above publication from the distributors
- will not sell anymore the existing stock we have
- will not reprint the same material from the next academic year
- will be more careful and serious while publishing anything on pets and animals and also take care and ensure that the same doesn't hurt the sentiments of the students, teachers, parents and the public in general and free from any illegal and unethical action.

We assure you of the above once again.

Thanking you

Yours sincerely

Parvesh Gupta
